All Standard and Premium African Huts Include

Round	
Frame Size	Total Roof Size
2.3 Diameter	2.8 Diameter
2.8 Diameter	3.3 Diameter
3.3 Diameter	3.8 Diameter

Posts	2.4m, 3m, 3.6m or customised to your requirements
African Thatch	Best quality African thatch, checked and measured to ensure the thickest thatch strips available in Australia
Structural Timber	All timber cut to size. F7 structural H3 treated pine frames (rot and termite resistant) with a 25 year guarantee against rot and decay.
Galvanised Hardware	Hot dipped galvanised bolts and brackets. We also use treated pine screws that are galvanised for long life, wear and durability
Instruction manual	All African huts come with a detailed instruction manual.
Phone support (Premium huts only)	You are not alone. We have licensed experienced builders available to assist.
Delivery	Secure Australia Wide - freight is insured and items damaged in transit will be replaced immediately at no extra cost.
Stained DIY Kit	Your African hut can be pre-stained in our factory. All sections of the timber frames will be stained. Posts are not stained because it is the last thing that you should stain after you've assembled the hut. We will supply you with extra stain for this purpose.
Unstained DIY Kit	Timber frames and posts will be unstained and can be stained by you.
